News & views about Our Health from Hawke's Bay DHB  
Interim Chief Executive Craig Climo

December 2019

The Board and management, would like to thank every person who works in or is involved in our sector, including volunteers and suppliers, for all you are doing to improve the lives of our community and to make the sector a better place to be in.

We also want to acknowledge the trying circumstances that you too often work in.

We hope you are able to take the opportunity to enjoy the festive season with friends and whanau, and take time to relax.

To the people working through, thank you, and hopefully you are still able to enjoy the Christmas/New Year period.

Be safe - looking forward to seeing you early in the new year.

Best wishes
