

Hawke's Bay District Health Board have two Maternity Services Consumer Members, Gabby Allen and Lou Curtis, who want to hear about your experiences.

Their role is to liaise with mothers, fathers and whānau to gain an understanding of what is working well within the services, what isn't working well and what needs to be developed further.

The service is ever evolving and by sharing your thoughts, comments and suggestions with either of the consumer members, your voice and views will play a vital part in how care is delivered and how the maternity service is shaped in the future.

The consumer members can be contacted directly by email, can be written to (see mailing address below) or can be found out and about in the community at consumer coffee groups, meetings and forums.

Discretion and privacy will be maintained throughout any contact you may have with the consumer members.
