Dear [REDACTED]

## YOUR OFFICIAL INFORMATION ACT (1982) REQUEST HBDHB REF: OIA2021172

I refer to your Official Information Act request dated 15 December 2021 where you requested information from Hawke's Bay District Health Board (HBDHB).

Your questions and HBDHB's response is provided below:

- *All reports, briefings, memos and presentations from WSP around seismic matters at the DHB from 1 Jan 2020 including but not limited to the letter sent from Jamie at WSP and received by [REDACTED] at or around 18 May 2021 detailing seismic concerns and letters from WSP referred to in documentation from [REDACTED] on 17 May 2021 "I have copied in [REDACTED] who will be able to supply the documentation requested and can also provide the letters from WSP re this specific issue". Any presentations, minutes or file notes on the issue of seismic matters discussed at the ELT meeting 17 May 2021. I also request a copy of the Design Features Summary developed by WSP referred to in an email from [REDACTED] 17 May 2021 348 pm*
- *HBDHB Seismic Structural Status Report presented to the DHB meeting at June 2 2021*
- *Did consultants assist with the HBDHB Seismic Structural Status Report presented to the DHB meeting at June 2 2021?*
- *Any independent review by another DHB of the Radiology project preliminary design*
- *Any documentation by consultants indicating that the Radiology project had original seismic costs that were under scoped and that additional seismic bracing was required in ED*

A list of documents that are provided as attachments to this email are outlined below:

- a. HA23 Orthopaedics & HA20 Service Entry
  - i. 2-S5000.08 HA23 HA20 DSA FINAL Report 10.12.20
  - ii. 2-S5000.08 HA23 & HA20 DSA FINAL Report 14.06.21
- b. HA27 Radiology
  - i. HBDHB Radiology Refurb\_Concept Design Report\_Draft \_27-09-19
  - ii. 6-DP440.00 HBRH RADIOLOGY STRENGTHENING & REFURBISHMENT PRELIMINARY ISSUE
  - iii. HBDHB\_Radiology\_WSP Preliminary Design Report\_25-10-19
  - iv. 6-DP440\_HB Radiology Developed Design 80%
  - v. 6-DP440\_HB Radiology Detailed Design 30%
  - vi. 6-DP440\_HB Radiology Detailed Design 50%
  - vii. 6-DP440\_HB Radiology Detailed Design 80%
  - viii. 6-DP440\_HB Radiology Detailed Design 100%
  - ix. 6-DP440\_HB Radiology Developed Design 95%
  - x. 6-DP440\_HB Radiology Developed Design 100%
  - xi. 6-DP440.00-HBDHB Radiology 100% Developed Design - Structural Specification

---

### CHIEF EXECUTIVE'S OFFICE

Hawke's Bay District Health Board

  - ii. HA 02 Report Former Secure Unit DSA
  - iii. Letter report re Gen Surgery Outpatient Facility 6 April 2021
- g. Geotech
  - i. Geotechnical Assessment - HBDHB LINAC\_REVO

The documentation between [REDACTED] on 17 May 2021 refers to document '210430 - HBDHB\_Seismic Hazard' which will soon be made publicly available. Therefore, HBDHB declines your request under s18 (d) of the Act.

In response to question two, the Seismic Structural Status report for HBDHB will also be made publicly available soon, and therefore HBDHB declines your request under s18 (d) of the Act.

In response to question three, consultants provided information that helped form the June 2021 Seismic Structural Status report but they did not write the report.

In response to question four there was no independent review by another DHB of the Radiology project preliminary design.

In response to question five the reports provided by WSP consultants are the first documents HBDHB received indicating that the Radiology project had original seismic costs that were underscoped and that additional seismic bracing was required in Radiology and ED.

I trust this information meets your needs. If you would like any further information or clarification please phone me. If you are not satisfied with this response you may contact the Office of the Ombudsman, phone 0800 802 602.

Please note that this response, or an edited version of this response, may be published on the Hawke's Bay DHB website after your receipt of this response.

Yours sincerely

Andrew Boyd
