

# Services at Hawke's Bay Hospital have been significantly reduced.

Members of the NZ Resident Doctors Association  
(house officers, registrars, junior doctors)  
are taking strike action from  
**7am 15 January** until  
**7am 17 January**

Essential hospital services including the Emergency Department, Intensive Care Unit, SCBU, acute medical services, dialysis and maternity care are available.

If it is not urgent or an emergency you should phone or visit your family doctor/GP or medical centre.

If you are unsure about your outpatient clinic appointment or elective surgery booking – please phone 06 8788109

We apologise for any inconvenience or delay, however, our first concern is to make sure our patients are safe and well cared for.

Colin Hutchison  
Executive Director Provider Services  
Hawke's Bay District Health Board
